

Conroe Regional Hospital Registration

An important thing to do before labor is pre-register at the hospital as your back-up plan to make the admission process easy and seamless for you and your healthcare team if needed. A good time to do this is between 24-36 weeks.

Things to bring:

Insurance card

ID card

Doctor or Midwife's name (You will be using Dr. Young as the registration MD)

Due date assigned by your Doctor or Midwife

Address:

Conroe Regional Medical Center

504 Medical Center Blvd

Conroe, TX 77304

Telephone: (936) 539-1111

Registration office direct line: 936-539-7402

****Please park near the 506 number on the building which is near the outpatient entrance and gift shop. Go into outpatient entrance and the registration office is down the hall on 1st floor.**

What to expect:

The registrars will take your information including your insurance card and ID, and have you sign multiple documents. Read over the information thoroughly and ask questions if you have them. They should give you a new mom packet once your registration is complete.

Hours for entrance:

- Between 5a-9p you are able to enter the hospital through any door to get to labor and delivery.
- Between 9p-5a you must enter hospital through the ER.

If you are unable to visit the hospital, you can go to their online portal to create and account and get as much information submitted as possible.
